Published on मार्च 10, 2025 | By Suraj

Mera name Suraj hai or main delhi ka rahne wala hu. Mere ghar me mammi papa or mere alawa meri do behen hai, ek muzhse badi hai or ek choti. Meri ek badi behen ki shadi ho gai hai or woh apne sasural me hi rahti hai. Ab ghar per main, mammi, papa or meri choti behen rahati hai. Bahan Ki Pahli Chudai.

Meri age 25 saal hai or meri behen ki 20 saal or uska name Aakriti hai. Maine jab se hosh samhala hai tab se hi sexy batein mere man me aati hai. Muze kisi ne kabhi sikhaya nahi ki yeh sab kya hota hai per bachpan se hi muzhe in sab me interest aata tha.

Jab me chota tha to apni sister ke sath me gandi harkat karta tha or isme muzhe bada maza aata tha. Sirf 12 saal ki age me hi maine mutth marni shuru kar di thi. Main bachpan se apni behen ko nanga dekhna chahta tha per aisa muka kabhi nahi mila.

Haan kabhi kabhi kapde badlate hua dekha hai or who bhi darwaje me se chup kar. Maine kitne hi apne mutth apni choti behan ke naam kar diye or yeh bat use pata bhi nahi thi ki maine kya chahta hu.

Bachpan me kabhi kabhi jab main uske pass sota to uske gore gore badan per hath pherta tha uske boobs per hath rakh kar sota tha. Per us se kabhi is bat ka ehsas nahi hua. Thand ke dino me jab hum sote the to mera bistar us se kuch dur hi rahta or main rat ko ek baje uth kar uski rajai me nich se ghus jata tha. “Bahan Ki Pahli Chudai”

Us time per to woh frok pehnati thi or main uski panty ko niharta rehta torch ki roshni mai. Kabhi dheere se uski jangho per hath rakh deta to usme sirhan si aa jati thi. Per uski nind badi pakki thi isliye use kuch mehsus nahi hota tha.

Jab hum dono bade hue to phir sath sona band ho gaya per phir bhi main use bhoola nahi paya. Main har waqt bas yahi sochta ki kaise bhi usko apni iccha jata du per dar bhi lagta tha ki agar usne parents ko keh diya to kya hoga.

Ek din ki bat hai main PC per XXX movie dekh raha tha or achanak muzhe kahi jana pad gaya or main PC aise hi stand by mod per chor kar chala gaya. Jab main wapas aaya to meri behan kahti hai ki bhaiya apna PC to band kar ke jaya karo. Jo dekh rahe the woh aise hi chor gaye. Woh to accha hua maine band kar diya. “Bahan Ki Pahli Chudai”

Uski itni si bat ne mere soye arman phir jaga diye ab main jankar ke PC aise hi chor jata tha or woh use band kar deti thi. Lekin band karne ke pahle woh kuch dekhti bhi thi. Ak din maine dekha ki meri behan kapde badal rahi hai or badlate hue glass me apne boobs ko sahla rahi hai. Ab uski bhi age 20 saal ho gai thi or use bhi kuch jarurat thi yeh main samajh gaya tha.

Ek din ki bat hai mammi papa ko kahi bahar jana pada or woh dusre din aane wale the. Is bat se mera man khush ho gaya. Din bhar main ghar per hi tha or apni behen ko din bhar sex ki nigah se dekhta raha.

Jab woh din me kapde dho rahi thi to main uske samne ja kar baith gaya or suit me se uske gore gore boobs ko nihar raha tha ki tabhi woh muzse puchti hai bhaiya aap kya dekh rahe hai. To maine bola ki main tuzhe kapde dhote hue dekh raha hu. Thodi der jab muzse control nahi hua to main bathroom me gaya or mutth mar liya. Ab thodi der ke liye sab normal ho gaya. “Bahan Ki Pahli Chudai”

Rat ko khana khan ke bad jab hum sone lage to woh mere hi pass wale bistar per aakar late gai. Maine socha ki aaj meri iccha puri ho jaye bas. Thodi der main use nind lag gai or main PC per kuch kam karne laga. Rat ko karib 11.30 baje meri ek dam se nazar uske upar padi or main dekha ki uska ek hath apni lower ke andar hai or ek boobs per.

Yeh dekh kar mera dimag kharab ho gaya. Maine PC band kiya or uske pass khisak gaya. Thodi der tak us ko uhi dekhata raha.

Or phir dheere se maine apna haat uske hath se touch kar diya. Aisa karte hi meri body me aag lag gai or mere soye hue lund me jaan aa gai. Thodi der tak main hath ko uske hath se ragarta raha. Or usne achanak se meri tarah karvat leli or uska dusra hath mere upar aa gaya.

Ab uski sanso se meri sans mil rahi thi or muzhe madhoshi aa rahi thi. Maine apna ek hath uthaya or uski kamar per rakh diya. Usne short t shirt or lower pehni hui thi. Maine dheere dheere apna hath t shirt ke andar ghusana shuru kiya. Muzhe aisa laga raha thi ki who jag gai hai per woh so rahi thi.

Use nahi malom tha ki aaj kya hole wala hai. Per use nind me bhi maja aa raha tha. Ab maine apna hath thoda or andar kiya to uski gori gori peth per se hote hue uski bra ke huke per aa gaya. Jaise hi waha per mera hath pahucha mera lund lohe jaise tan gaya mano jaise kisine tamboo laga diya ho bich me danda khara kar ke. “Bahan Ki Pahli Chudai”

Ab use lag gaya tha ki koi uske sath kuch kar raha hai per us se maja bhi aa raha tha. Who thori si or hili or mere or karib aa gai. Ab uske boobs meri chati se kevel 1inch door the. Main bhi apne hath se uski bra ka huke khole diya or apna ek leg uski jangh per rakh diya.

Or main thora or us se chipak gaya aisa karne se uske boobs meri chati se touch ho gaye or mere lips uske lips se keval ½ inch door the. Maine todhi der tak aise hi us se dekhta raha. Lagbhag 5 min bad maine himmat karke apne honto se uske honto ko touch kar diya or main uske gulabi gulabi lips ko kiss karne laga. Ab woh bhi jag gai thi or us pata chal gaya tha ki yeh uska hi bhai hai per usne pura support kiya.

Uske support ko dekhne ke bad to mano aaj lag gai ho badan me. Maine uske honto ko phir uski eyes ko phir uske mathe ko….are ukse chehre ke har part ko kiss ki. Woh bhi puri tereh se garm ho gait hi. Yeh uska or mera dono ka pahla hi experience tha. “Bahan Ki Pahli Chudai”

Ab main puri tahar se uske upar aa gaya tha or paglo ki tarah usko kis kar raha tha or who bhi muzhe kis kar rahi thi. Is bich main dono hatho ko uske t shirt me dal diya or ek hi jatake me uski t shirt utar di. Jaise hi maine aisa kiya woh sarma gai or usne dono hatho se apne boobs ko chupa liya or apni aankhe band kar li.

Main samazh raha tha ki woh aisa kyo kar rahi hai. Maine apne dono hatho se uske hatho ko hataya or main uske gale se kiss karta hua uske boobs ko paglo ki tarah kiss karne laga. Choosne laga mano main bahut salo se pyassa hu or aaj muzhe apni pyass buzhani hai. Usne bhi apne dono hatho se muzhe jakad liya or hum dono ek dusre ko kiss karne lage.

Yeh silsila 10 min tak aise ki chalta raha. Uske boobs ko maine choos choos kar lal kar diya. Ab mere dono hath niche ki taraf bade or maine uski lower ke andar hath dal diya. Aisa karte hi usne mera hath pakad liya. Per maine use ek pyari se kiss kar di lips per or us ne mera hath chor diya. Bas ab kya tha mera pagal hath apni jagah dhoond raha tha. “Bahan Ki Pahli Chudai”

Main utha or maine dono hatho se uski lower ko nikal diya. Jaise hi maine uski lower ko nikala usne apni ankhe band kar li or maine dekha ki ek kamsin si ladki lal rang ki panty main apne hatho ko apni chut per rakh kar soi hui hai. Yeh dekh kar maine bhi apni lower or underwear utar di or dekha ki mera lund tadap raha hai . lekin mere lund ko kya pata tha ki aaj use woh milne wala hai jo woh kevel sapne me hi sochta tha.

Ab woh ghadi aa gai thi. Ab maine uske pairo ko kiss karma shuru kiya or kiss karta hua dheere dheere upar badne laga. Phir jhangho ko kiss ki paglo ki tarah. Phir main ek pyari si kiss uski panty per se uski chut per ki. Uski net wali panty main se uski chut ke bal jhalak rahe the. Maine dheere se dono hathe ki bich wali ungli uski panty main dali or muh se pakad kar use bhi utar diya.

Aaj who rat aa gait hi jo main salo se sapne me dekh raha tha. Meri behan ko aaj maine pura nanga dekha or 5 min tak bas main dekhta hi raha. Meri behan apni eyes khol nahi rahi thi. Woh bhi janti thi ki aaj uski bhi iccha us si ke ghar me puri ho rahi hai.

Ab main phir se uske upar aa gaya or uske boobs se kis karte hue pet per kiss karte hue uski masum si chut per kis karne laga. Ab woh puri garam ho gai thi. Woh uthi or usne mera bal pakad kar mera muh apni chut se laga diya. Mano uski pyaas jo salo se puri nahi hui thi aaj woh bhi puri karma chahti ho. Thodi der tak main uski chut ka ras pita raha. Or phir use leta diya. “Bahan Ki Pahli Chudai”

Ab maine apne dono hotho se uski dono tango ko utha kar apne kandho per rakh diya. Maine jaise hi aisa kiya mera lund uski chut ke ekdam samne aa gaya. ab der kis bat kit hi. Maine apne dono hatho se uske dono hatho ko pakad liya or ek halka sa jhataka uski chut me diya. Mere pass shabd nahi hai is moment of likhne ke liye. Yeh woh sapna tha jo main salo se dekh raha tha or woh aaj pura ho raha tha.

Maine jaise hi pahla jhatka diya uske muh se aaaahhhh ki ek halki awaz aayi. Main phir ek jhatka diya or phir ek aaaaahhhhh ki aawaz aayi. Main jhateke deta raha or aaaahhhhh ki awaz aati rahi. Thodi der bad maine jhatke or tej kar diye to uske muh se or tez awaz aane lagi.

Jab uski seal tuti to thoda sa khoon aaya. Use dard bhi hua lekin woh sab seh gai. Lagbhag das minute yahi chalta raha. Jhatke pe jhatka or uske muh se aaaaahhhhh aaaaahhhhh ki awaz aati rahi. Or dus minute ke bad maine apna sara ka sara garm virya uski pyasiiiii chut main chor diya. Ab woh bhi jhar chuki thi. “Bahan Ki Pahli Chudai”

Jaise hi virya uski chut main gaya mere or uske chehre per ek smile aa gayi thi. Maine thodi der tak usse phir kis kiya or hum dono rat bhar ek dusre se lipat kar sote rahe. Aisa us rat ko do bar hua. bus dono ki iccha puri ho gai.

Sari rat na woh kuch muzse boli or na main. Hum dono samaz gaye ki jo kuch hua woh dono ki margi se hua hai or isme jyada kuch sochne ki jarurat nahi hai. Subah uth kar usne badsheet badli or apne kam me lag gai. Do din tak humne kuch jyada bat nahi ki phir sab kuch normal ho gaya or phir bat shuru ho gai.
